## INSTRUCTIONS FOR FILLING IN FORM

We are providing this form so that you can see what fishing information we will ask you to supply in a telephone interview. You may choose to use this form to document your recreational activity for the vessel and week designated on this form. In addition, the form also has space for you to record cost and earnings information for up to three trips ending on the day that you were selected to report. If you did not take out passengers this day, please provide information on trips completed on the next day this vessel was active. We will contact you by phone sometime during the week after the recreational activity occurred. Please help us to accurately represent your industry by reporting your information. If you have any questions, please call 888/637-6378.

Note: This form should be filled out for the week designated on the front of this form only.
